WE NEED FOSTERS!

SBRET could not rescue without our foster families. Foster families allow the rescue to have a safe place to stay and rehabilitate physically and emotionally. Fostering is one of the most rewarding ways to save a life so if you are interested...

[Click here for more information and to apply!](#)

SBRET is a volunteer, 501©(3) non-profit organization. All [donations](#) are tax deductible and are used to provided medical and day-to-day care needed to save and rehabilitate the dogs we take into rescue. Your support enables us to continue our mission of saving lives. Thank you.

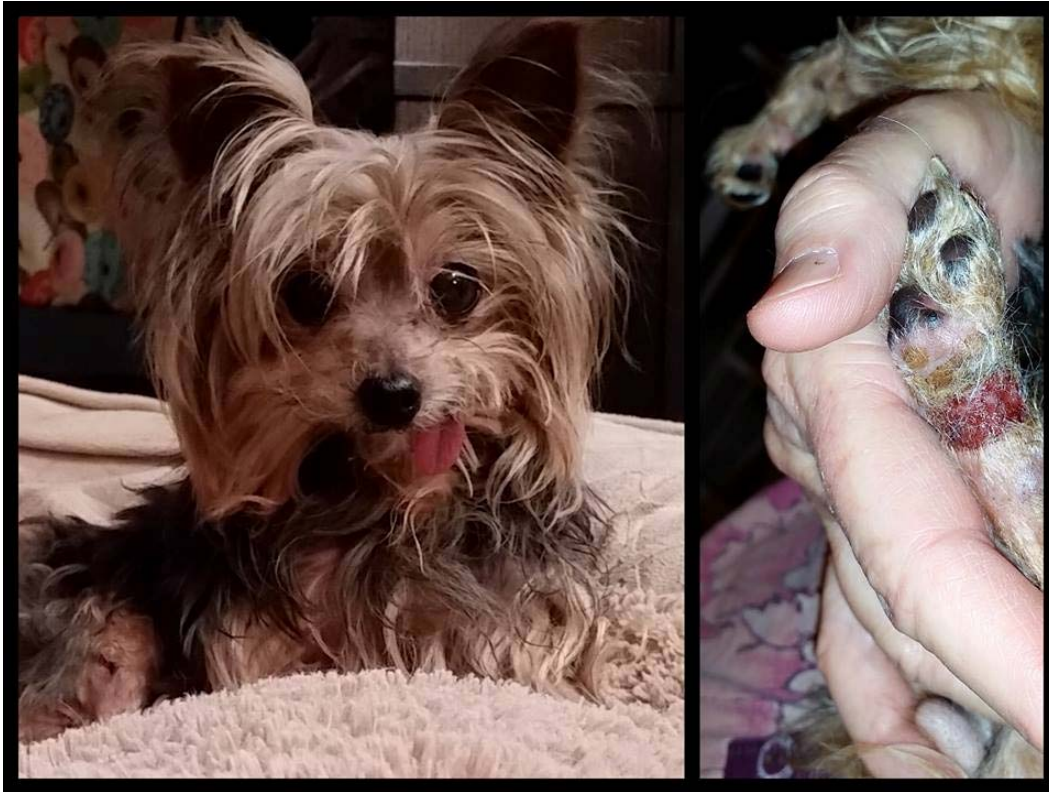

Gigi is our poster child for this fundraising effort as we never want to have to turn away a dog in need for lack of funds. For every dollar donated, it will be matched up to \$5000.

SAVE OUR SMALLS (continued from page 1)

Dear SBRET Family,

For many dogs like myself, we would not make it without folks like you. SBRET never wants to have to turn away a dog in need for lack of funds. They have a generous supporter who has agreed to match all donations for the next month up to \$5,000 so that dogs like me have a second chance at a beautiful life. Thanks to SBRET, my leg wound is so much better. Without your support, I could have lost my leg and my life.

Love, Gigi

Rescue of the Month

**** Chihuahua Experienced Home Only****

Dak is a stunningly beautiful 2 year old male, 6 pound Chihuahua. Sadly, he was passed around to several owners before coming to rescue without the appropriate training and socialization. As a result, he is frightened easily and responds with growls and the like. He does much better if introduced to new people and situations slowly and with treats.

He gets along fine with other dogs (even large ones) and cats. He is crate trained and sleeps in one at night. We prefer a home where someone is there some part of the day so he is not crated both night and day. He does prefer to sleep with you! He has done well with his potty training and is treat oriented. He does great on the leash and enjoys taking walks. No children, please.

Once he has gained your trust he will reward you with loads of affection! He climbs on you and rubs his face on yours giving you kisses. If you know the Breed well and want to help a sweet guy who had a rough start to his life, please contact SBRET. Dak's adoption fee is \$175.
